

## Letter of Introduction

The Veterans of the Korean War Reunion, our Officers and Directors wish to thank those of you that attended last October. We are holding another reunion this year. The dates are October 21, through 23, 2009. The hotel rates are lower this year by almost \$10.00.

The Social Night will be on Wednesday night the 21st; the location will be on the 4<sup>th</sup> Floor, Calypso Room (banquet room). We plan on awarding the two \$250.00 Scholarships to (2) Korean Church's as we announced last fall. The Church's have not been named yet.

All of our events at Surfside will be on the 4<sup>th</sup> floor, Registration, Social Night, Memorial Service, Guest Speaker Friday afternoon and Dinner Friday Night. The room will also act as our Hospitality Room and gathering place.

We tried to keep the prices the same as last year. The trip and Dinner Dance will be the same price as last year. They will be priced on the Registration Form. The **trip must be pre-paid at Mail-in Registration time. There will only be 55 Seats Available.** Reason, we must forward to NASA 7 days before the trip, the names of those that will be on the trip Thursday. If you were to register upon arrival on Wednesday we would not have time to forward it to the NASA. **ALL FEE'S, TRIPS & MEALS PAID FOR ARE REFUNDABLE IF WE ARE NOTIFIED IN A TIMELY MANNER.**

On our Trip to a NASA SPACE FACILITY, we have taken into consideration the walking aspect and our age factor. The trip is being planned with that in mind; we want to accommodate all that wish to go. There is a meal figured in the price of the trip so there will be no added cost for the food. If anyone has a Handicap or Disability please let us know. We will try and do everything in our power to assist you.

This year we may have a small group from the " Chosen Few" who are showing interest in joining us at or Memorial Service and Dinner/ Dance.

The delay in this mail-out is due to making sure that all who are supporting us can fulfill our request. We all know that from day to day the Security status can change. Jerry has been very helpful and the other Directors have been supportive too. They play as big a part in this reunion as I do, without them this would not be possible.

We hope our web site is up and will be up-dated, Debbie has asked me for things and I have been late sending them to her, but I will send them.

Veterans, (your families and friends) who have attended in the past we appreciate your support and hope you will continue to attend. It is our intent to hold the same quality reunion that has been held in the past. We will make mistakes and things might not go as planned but with your help and support it will work. Sorry for the delay mailing this notice out.

Respectfully,

Floyd D. Newkirk, President, VKWR. 757/340-9801 fnewkirk1@cox.net  
Gerald "Jerry" Brown, V. President, VKWR 757/237-4541 pgkpf12117@aol.com
